

COLOR MATCHING EXPERTS

BIG DOOR SOLUTIONS TOO!

WE CAN HANDLE YOUR OVERSIZED
DOORS WITH EASE

COLOR MATCHING BY EXPERTS

For Commercial or Residential Projects

Wood veneer faces in oak, maple, cherry, walnut, birch, or paint grade birch or MDO.

The pre-finish team at Vancouver Door Company are the experts when it comes to matching color.

We have a reputation for providing the most comprehensive and accurate quotes in the industry. We pay attention to every detail from quote to delivery.

After all, our success depends on you being successful...
It's all about you and your customers.

Oversized Door?

We can provide oversize doors in any species and sizes ranging from 1-3/8" to 2-1/4" thick and sizes up to 6' wide x 14' high.

Core choices are: Particleboard Core (PC), Staved Lumber Core (SLC), Structural Composite Lumber Core (SCLC) and Agnifiber Core (AC).

Our experts will prepare the door for any hardware specified.

All doors are sanded and bonded.
